

Resource Direct Recruitment (RDR) Stokesley

RDR has been operating since 2010, as a primary recruitment partner to some of the UK's leading mechanical, electrical and industrial services contractors. We provide high value capabilities including onsite support for large projects.

Our main office is based in Stokesley, North Yorkshire with additional presence in Teesside, Grimsby, Immingham, Chester and Newcastle.

Our national coverage targets some of the major industrial and engineering sites across the UK, which has helped us successfully deliver quality resources to EPC, shutdown and maintenance projects in the Oil, Gas, Petrochemical and Renewable sectors.

Clients benefit enormously from our flexible, responsive recruitment and resourcing solutions both high volume and specialist.

New clients can be assured of strict adherence to QHSE standards including ISO 9001,14001 and 19001.
